- The selection criteria are clearly identified defined;
- The tender or quote is selected which offers the best value to the Council over the whole life of the project;
- The tendering process, selection of bidders and the award of contracts are fair, open and objective;
- All tenders and quotes are evaluated to a consistently high standard;
- Equality, diversity, and sustainability considerations are embedded in the Councils tendering and quotation processes;

Tenders will be opened by two Councillors on a rota basis.

5. Tenders/Quotes Not Received or Are All the Same

If no tenders or quotes are received the Council will:

- Re-advertise using the methods already used;
- Consider other methods of advertising i.e., newspaper, radio, other local media;
- Consider advertising further afield i.e., in the Western Morning News, other national websites/media publications etc.;
- Review the tender/quotation documents;
- Contact contractors who have requested the tender and quotation documentation and enquire as to why they did not submit a tender or quote.

If the tenders or quotes received are identical the Council will:

- Assess each quote or tender individually;
- Consider 'Best Value';

- Consider requesting additional information from each contractor i.e., how they propose to complete the work, timescales, staffing etc.;
- Consider holding an interview with each contractor;
- Request copies of health and safety information and any other relevant information etc.;
- Reassess all the tenders against the additional information and/or interview and Best Value.

6. Other

The Council will compile a list of contractors who would be interested in tendering or quoting and what areas of work they could cover and that they would be able to fully comply with all health and safety requirements. Any relevant quotes or tenders will be circulated to all appropriate contractors on the list. The Council will, as and when appropriate, place an article in The Blackmore Vale magazine to:

- Advertise any current invitations for quotations or tenders;
- Advertise any quotes or tenders anticipated in the next 6 months; and to
- Invite contractors to register an interest in submitting either quotes or tenders to the Council and the areas they could cover Quotation and Tender packs can be circulated by email providing parts of the documents are locked such as the specifications and the tenderers can only amend and complete the appropriate sections of the documentation.

7. Emergency Situations

The Council will compile a list of contractors to contact in emergency situations. An emergency is any situation that requires immediate action and cannot wait for authorisation at a Full Council or Committee meeting. The Clerk will report all emergency works completed at the next meeting of the Full Council or appropriate Committee. Examples of emergency situations could include a tree that has been damaged and unexpectedly become dangerous, any unexpected situation which could cause harm to councillors, employees, contractors, or members of the public etc.
